SBDK does not yet calculate risk premium estimation which the amount depends on bank's assessment over risk on each Debtor or group of Debtor. Therefore, credit interest rate charged to Debtor is not necessarily the same with SBDK.
- b. In credit consumer non housing loan does not include fund distribution through credit card and unsecured loan (KTA).
- c. Updated information regarding SBDK is publicly available in Bank's branch offices and/or Bank's website.
